

OptumRx® MedMonitor Overview

Multi-channel consumer engagement approach

ROBUST CLINICAL SUPPORT

through OptumRx®
and our expansive network
pharmacy partners

NETWORK PHARMACY SOLUTION

OptumRx® MedMonitor Portal

Members can consult with network pharmacists or other clinicians in the community at their convenience and in office settings.

Why MedMonitor?

Obtain greater functionality in offering member support and in completing clinical consultations

1 User-friendly interface with up-to-date pharmacy claims information

2 Timely access to member intervention opportunities

3 Ease and convenience for the individual to connect live

4 Robust intervention library

5 Expanded community reach via network partners

6 Centralized fulfillment services to share member materials
